TEACHING EXPERIENCE

ELEMENTARY SCHOOL TEACHER, June 2012 to present

Bermudian Springs Elementary School, York Springs, PA 17372

Plan interdisciplinary lessons aligned with the common core standards and assessments. Foster student engagement and critical thinking. Communicate with parents/guardians through the use of class twitter, technology such as Seesaw and Remind, and our class newsletter. Using technology to enhance instruction and student engagement. Implement digital student portfolios to create an environment of accountability and celebration of success.

SUMMER LITERACY CAMP TEACHER, July 2013

Bermudian Springs Elementary School, York Springs, PA 17372

Planned effective reading invention lessons using Words Their Way and the Daily 5 approach. Met students at current reading level to support and facilitate growth.

PRESCHOOL TEACHER, June 2011 to June 2012

Robin's Nest Preschool, West York, PA 17404

Afterschool teacher of the three and four year olds. Developed lesson plans that allowed students to use their imagination as well as creativity to learn about a variety of subjects. Assisted other preschool teachers with lesson planning and creating developmentally appropriate lessons. Executed all afternoon activities and responsibilities such as, naptime, snack, centers, literacy activities, science exploration, outdoor play, music, and arts. Collaborated with parents on a daily basis.
